Shellback Tender Specs. & Pricelist

Designer:	Joel White
Length:	11 ft. 2 in.
Beam:	53 in.
Draft:	7 in.
Weight: (approx)	120 lbs.
Capacity:	1-3 people

The Shellback is a beautiful and functional rowing or sailing tender. Our Shellbacks are built to exacting standards with the finest material and craftsmanship. Each boat is planked with high grade sapele plywood; the rails and seats are mahogany. The bottom is layered with two coats of barrier e-poxy and the skeg has a brass 1/2" oval along its full length. Each boat is primed and painted with one finish coat in your choice of colors. The oarlocks and sockets are bronze. The sailing package includes a dagger board, trunk, mast step and rudder. The spars are varnished spruce. We also offer some options (below) to help you customize your tender for your needs and taste.

Base Price:	\$5800
